She wasn't ready.

She'd never be ready,

...to say goodbye.

Clare Murray knew that all too well. Still holding the last letter her husband wrote her before he died, those words, written in his quirky, messy handwriting, "When You're Ready," still bring her to her knees. And that was so long ago...

Now, when fate brings her face-to-face with a stormy-eyed doctor intent on changing her mind, Clare might finally be willing to take a second chance at love. But when she finally relents and allows Logan Matthews into her heart, their love is tested in all-too-familiar ways. It's up to them to fight for what they want as Clare learns that you're never truly ready...

Until you're ready to risk it all.
