Tall, dark, and handsome is an understatement when it comes to John Day. With rugged good looks, his ever present plaid shirt, and a dog named Babe, John is a modern alpha male lumberjack.

After his favorite neighbor rents out her beach cabin for the winter, John finds himself playing fireman and tour guide to Diane Watson, a beautiful brunette with her own messy past and recent battle scars.

Will he be ready to fall in love? Or will he go back to his old, flirty ways?

Hold onto your heart as John Day tells his story in this male POV contemporary adult romance/romantic comedy.

Ready to Fall is the first novel in the Wingmen series, a spin-off from Modern Love Stories. Each book is a standalone with no cliffhanger.
